Dear Parent/Carer

May we remind you that as from tomorrow we will be enforcing social distancing on school grounds between different households. Please keep your children by your side at all times until a member of staff greets them at the school gate. May we also remind you that only one adult will be permitted on school grounds to accompany their child(ren) and that all adults should be wearing a face covering (unless you are carrying an exemption card).

Can we draw your attention to the fact that while the country is going through another national lockdown, we would expect that the streets will be a lot quieter than usual. With the nights starting to draw in we would ask, where possible that you collect your child at the end of the day. We realise that work may not always allow but felt it necessary to alert you to this.

Thank you for your continued support in keeping our school a safe environment.

Kind regards
